THE AMERICAN JOURNAL OF CLINICAL NUTRITION

Official publication of the
American Society for Clinical Nutrition

Published monthly for the physician or scientist who is interested in initiating current thinking in the field of human nutrition. Regular features include original research communications (rapid, survey, methods, general); case reports; perspectives in nutrition; editorials; special articles; and letters to the editor. Book reviews, announcements of coming nutrition and nutrition-related meetings, and reports of meetings appear as appropriate; symposia, workshops and other long papers appear as supplements.

The AMERICAN JOURNAL OF CLINICAL NUTRITION is available at the personal subscription rate of $45 per year (Canada, Mexico & Foreign $50). An institutional rate of $60 applies to library, departmental and other subscriptions involving multi-readership. Canada, Mexico & Foreign $65. Reduced rates are available to graduate and medical students and post-doctoral fellows.
